

Move Without Limits.

*Introducing AAPM&R's New Career
Exploration Platform—Thrive!*

AAPM&R is thrilled to launch a new career exploration platform purpose-built to help psychiatrists make better-informed career decisions.

The map-based experience puts each of our members at the heart of their unique career search.

The Most Psychiatrist Jobs in One Platform

AAPM&R offers members more choices in specific markets, and the most relevant positions

Better Data for Better Career Choices

Research workplaces in a map-based format with rich geographical and community data.

Messaging and One-Click Applications

Ask employers questions, apply directly to roles with one click, and customize your notifications.
