

RAISE YOUR HAND AND JOIN TEAM PHYSIATRY!

Volunteers are the fuel that power the Academy. With every new volunteer, AAPM&R becomes more energized, more diverse and inclusive and better equipped to reach our common goals.

More than 600 members volunteer with the Academy each year to advance our vision for the future of the specialty. Join your PM&R peers who are contributing their time and expertise to support the mission, vision and core values of the Academy.
