Are You a Team Physician? Let Us Know!

AAPM&R volunteers are focused on long-term strategies to elevate the understanding and value of what we do in sports medicine, and to proactively position PM&R as leaders in sports medicine. To help us do this, we need to hear from you. Are you currently a team physician at the Olympic/Paralympic, professional or collegiate levels? Let us know by [completing our survey](#). We may reach out to you for additional information. Thank you!

Expert Stroke Rehabilitation at Burke

Rehabilitation after a stroke is critical in regaining functional independence. As one of the nation's top rehabilitation hospitals, Burke Rehabilitation cares for the most stroke patients among free-standing rehab hospitals in NY state. Our rehab specialists combine innovative approaches with traditional rehab interventions. Need information: [ask the expert](#).
